Description

Mid-century Brutalist-style ceramic artwork
The sculpture is composed of two separate glazed ceramic modules, securely fastened with screws to a fabric-covered wooden exhibition panel. The upper part features a striking star or atomic wheel motif, with thin radiating metal rods topped by small turquoise spheres and dark discs. The lower part features a ribbed organic texture, with dark turquoise glazes and red relief accents characteristic of ceramics. Monogrammed (PS) and dated (1976) on the back. 30 cm wide, 4 cm deep and 57 cm high. Unique sculpture from the 1970s.
