Description

Large 19th-century gilded mirror with ribboned pediment
Elegant 19th-century gilded wood and stucco mirror, richly adorned with a decorative pediment in the form of a knotted ribbon, characteristic of the refined taste of the period. The mirror is framed by a finely worked molding and retains all the charm of antique mirrors. The gilding has a beautiful original patina, highlighting the relief and detail of the ornamentation. The whole is in very good condition, with a sound and stable structure. This mirror will bring a touch of elegance and light to a classic or contemporary interior.
Epoque: 19th century
Materials: wood and gilded stucco
Condition: very good
Decor: ribbon-shaped pediment
A beautiful decorative and collectible piece, ideal for an entrance hall, living room or
