Description

Universal Genève Polerouter from 1956, stainless steel reference 20360-2, equipped with the UG 215 Microrotor automatic caliber. Functions: hours, minutes, center seconds and date at 3 o'clock. Movement with côtes-de-geneve finish. Beautifully patinated crosshair dial, applied baton hour markers on the flange and original luminescent dauphine hands. Unpolished Huguenin Frères (HF) case, Gérald Genta lyre handles, screw-down caseback, smooth bezel. Dimensions: 35.5 mm in diameter (excluding crown), 43.5 mm from horn to horn and 9.5 mm thick (including crystal). The mechanism and case are signed and numbered. The watch has been serviced and is in excellent working order. 2-year warranty.
