Description

Antique butcher's block in solid oak, French craftsmanship from the XIXe century. This rustic piece of furniture features a thick rimmed worktop, resting on a sober and sturdy solid oak structure. The lower section opens onto a large niche for storing baskets, utensils or kitchen accessories. The sides are embellished with metal side handles to make the cabinet easy to move. The ensemble features a beautiful antique patina and an authentic appearance marked by the traces of use over time. This log can be used as a kitchen cabinet, rustic console, occasional piece or central island in a country, loft or character home interior. Great decorative presence and preserved authenticity. Era: XIXe century Origin: France Materials: solid oak and metal fittings Condition: used condition with visible
