

## Very Small Miniature Portrait Album In Gilded Red Leather With Nickel-plated Steel Closure.

300 EUR

Period : 19th century

Condition : Très bon état

Material : Leather

Length : 8 cm

Height : 6 cm

### Description

Dating from the Empire-Charles X era, here's a superb little miniature portrait album. At the beginning of the 19th century, photography had not yet been invented, so we can imagine that this is an album for collecting painted portraits of one's suitors (es) from someone of the nobility. Whatever the case, it's a charming and adorable little object in a very romantic spirit. Shipping in France and internationally, contact me for details
