Description

Beautiful oil painting on canvas by artist Pablo Martinez del Rio, signed Martinez and bearing a plaque with the same name. The work depicts a peaceful landscape scene, with a rider on horseback accompanied by a second horse standing in shallow water. The scene takes place in a verdant countryside under a cloudy sky, painted in a traditional European style, with a Barbizon influence. The painting is presented in an impressive, richly ornate gilded frame, decorated with raised floral motifs, scrolls and acanthus leaves, giving it a very fine antique decorative presence. A superb piece of character, ideal for a country home, traditional interior, equestrian decoration, office, hallway, library, gallery wall or vintage-inspired piece.
