Description

Portant, accessory holder from a Parisian boulevard department store, made by the famous house of Stockman Paris, an essential reference in presentation equipment.This authentic piece features an elegant central pole in patinated metal resting on an imposing tripod base in cast iron, stamped STOCKMAN PARIS guaranteeing perfect stability. The upper part features a rotating cross with four brass and copper arms, each equipped with wrought-iron hooks designed to display accessories, scarves, belts, jewelry or small leather goods.The combination of brass, copper and cast iron lends the set a refined industrial aesthetic, typical of the professional equipment of Parisian department stores in the early XXe century. The beautiful original patina bears witness to its history and reinforces its
