### Description

Pair of Murano glass candlesticks with dolphins, circa 1950. Elegant pair of candlesticks in Murano blown glass, made in the 1950. These decorative models feature a particularly refined composition, combining deep ruby glass with lightly gilded translucent glass elements. Each candlestick is adorned with two stylized dolphins facing each other, executed in the traditional Murano filigree glass technique. The tulip-shaped elements, in the shape of blooming tulips, in a beautiful ruby red, rest on sinuous arms evoking marine scrolls. The fluted central shaft and the wide, circular base lend stability and an elegant decorative presence. This pair perfectly illustrates the creativity and skill of Murano's master glassmakers in the post-war
