## Pair Of Venetian Screen Lamps - Louis XV Style Silver-plated Bronze Torches Circa 1910

1 450 EUR

Period : 20th century

Condition : Restauré par notre atelier

Material : Silver metal

Height : 54cm

### Description

Charming pair of lamps made from Louis XV-style silver-plated bronze torches, resting on a moving base with rocaille decoration. The lamps are topped with decorative screen shades depicting a view of the Venetian lagoon in a rococo-inspired surround, set against a background of soft-toned marbled paper. This Venetian-inspired decoration brings a highly decorative and warm presence to the ensemble. The set has been completely re-electrified to new and is perfectly functional. These lamps are ready to be installed and used immediately. The shades are made in our workshop and can be declined in different shades and finishes on request. A color chart of available shades can be provided to customers wishing to personalize the set. Height: 54 cm. Condition:
