Description

Louis XVI style mahogany magazine rack - XIXe century
Elegant Louis XVI style mahogany magazine rack or occasional cabinet, XIXe century period. This delightful piece of furniture features a white marble-trimmed top girdled by a brass openwork gallery. It opens with a drawer on the front and features lower compartments designed for storing magazines, sheet music, letters or documents. The sober lines of this piece of furniture make it the perfect complement to any table. Sober, harmonious lines, slightly curved uprights and the quality of its mahogany give it great elegance. This decorative and functional piece of furniture will find its place in a living room, office, library or hallway. Beautiful antique patina and good condition.
