Description

Lalique France series of 8 crystal glasses model Saint Hubert from 1950. Created by Lalique's workshops in France, this series of 8 orangeade glasses comes from the 1950s. Infused with modernism, its design features a handle base decorated with a frieze of acanthus leaves, topped by the goblet, wide and slender, testifying to the expertise of craftsmanship by Lalique, which is an institution of crystal-making in France. Elegant, slender, stable and pleasant to hold in the hand, their design will add authentic & luxurious charm to your table, by Lalique! In very good condition, minor wear may remain, it remains discreet and remains as beautiful, as in the photos. Only one goblet has a chip on its base. Fast & careful shipping to France, Europe & worldwide. Dimensions of each -> Height: 12.5
