

Hand-painted Baroque Chest Of Drawers, 18th Century

4 800 EUR

Period : 18th century

Condition : Bon état

Material : Painted wood

Width : 124

Height : 72.5

Depth : 68

Description

A large Baroque chest of drawers with a slightly sinuous front and brass fittings. The chest has three drawers. The chest was recently restored with a beige background finish, then hand-decorated with reddish rococo motifs before receiving an aged patina.
