Period : 19th century

Condition : Bon état

Material : Marble

Description

Louis XVI Style Marble And Bronze Mantel SetRefine Louis XVI-style mantel set, composed of a central clock and a pair of matching cassolettes.The set is crafted in beautifully veined pink marble, enhanced by finely chased bronze mounts. The central clock features an architectural form of neoclassical inspiration, with its fluted columns, circular enamel dial, ornate hands and decorative pendulum. The upper part is crowned by an elegant covered vase, while the side pieces repeat the same decorative vocabulary in marble and bronze..The design reflects all the refinement of Louis XVI taste, with its balanced proportions, sober lines, columns, urn motifs and delicate bronze decoration.Very decorative, this set will ideally find its place on a mantelpiece, console,
