

## XXth Century System Tables

1 600 EUR

Period : 20th century

Condition : Très bon état

Material : Oak

Length : 2,20m

Width : 1,10m

Height : 0,73m

### Description

Pair of round system tables that can be combined into one large table. The tops are in blond oak and the legs in black iron. Two triangles secure the two round tops together. The system is very ingenious as it allows these dining room tables to be used together or separately. DIMENSIONS: 2.20m long for the two tables together, 1.10m diameter for one table alone, 0.73m high. Delivery on quotation.
