du français) at the École normale supérieure in Saint-Cloud, where he was in charge of producing images for audiovisual methods (French/foreign languages).An internationally recognized figurative painter, Pierre Neveu was awarded an honorary medal by the Salon des Artistes Français in 2007. He exhibits frequently, both in France and the United States, where he has met with great success, particularly with his luminous, colorful and skilfully constructed landscapes. A discreet, faithful and attentive man, deeply attached to Saint-Gratien, he gave a great deal without ever putting himself forward. We won't forget that special light in his paintings - that incomparable "Pierre Neveu blue" that gave his works their brilliance.
