Description

An elegant pair of ornamental vases in carved alabaster, made between the late 19th and early 20th centuries. Characterized by refined craftsmanship featuring floral motifs in relief and slender, Art Nouveau-style handles, they stand out for their quality of workmanship and the alabaster's refined natural coloration. Their harmonious shapes and rich decoration make these vases particularly suitable for decorating classic and elegant interiors. They are in excellent overall condition, with normal and pleasant signs of aging consistent with their

age. DIMENSIONS Height: 66 cm Base: 15.5 x 15.5 cm
