Description

Important carved and gilded wood "sun" mirror, 20th-century work in the taste of the emblematic models popularized during the reign of Louis XIV.The radiating composition alternates stylized branches in relief, arranged in a circle around a central circular mirror. The whole features beautiful carving and warm gilding, offering strong decorative power.The inner mirror, 50 cm in diameter, is set in a molded frame. The mirror, with its large total diameter of 125 cm, makes a spectacular piece ideal above a mantelpiece, sideboard or in a large hallway.Dimensions:Total diameter: 125 cmGlass diameter: 50 cmMaterial: carved and gilded woodEra: 20th century circa 1970Condition: good overall condition, slight wear consistent with use, a few spokes glued back but virtually invisible!Decorative piece of great
