Description

Magnificent Louis XVI-style gilded wood console table with oval top in gray-veined Carrara marble. The openwork belt with arcatures and acanthus leaves, framed by a frieze of pearls, is adorned on the front with a garland of flowers and fruit held in place by a ribbon bow. The four fluted legs articulate around an X-shaped crotch with beaded profile, centered by a group of carved turtledoves, a decorative detail of great finesse. Beautiful gilded leaf in good overall condition with patina wear from use.µDIMENSIONSH.93cm / W.125cm / D.57cm
