Description

This expressive painting, created in the mid 20th century by an unknown artist, immediately immerses the viewer in a world of pure forms and bold rhythmic constructions, demonstrating the finest traditions of European avant-garde art. The composition is built upon a virtuosic play of contrasting geometric elements and a saturated color palette, with incredible harmony imparting a striking spatial depth and pictorial volume to the canvas, completely devoid of representational frames. Carrying the powerful intellectual and emotional energy of the modernist era, this work will become an exquisite jewel of any discerning art collection and will act as an exceptionally striking accent in a contemporary space.DETAILS:Artist: Unsigned, unidentified European professional painter of the mid 20th
