Description

Chest of drawers model "D 154". Designed by Carlo de Carli and produced by Sormani since 1963. With its clean and elegant lines, the piece is made of red lacquered wood with black glass on the top. It features brass ferrules and knobs that enhance the chest of drawers. This piece of furniture is in very good condition, possibly showing minor signs of wear; it may have undergone expert restoration. We strive to present the true condition of the piece as accurately as possible with photos. If any details are unclear from the photos, the description will prevail.
