Hand-painted 19th-century English Plate

70 EUR

Period : 19th century

Condition : Etat d'usage

Material : Earthenware

Diameter : 22

Description

An earthenware plate with a slightly undulating shape, adorned with hand-painted decoration.In the center, a finely rendered bindweed flower, surrounded by an ornamental border in shades of cobalt blue and gold, characteristic of Victorian production.Condition: no breaks, cracks, or restorations.However, it shows the typical signs of age found in majolica:

- surface craquelure (a network of fine cracks in the glaze),

- visible brown oxidation beneath the glaze, due to the natural aging of the materials.
