

Pair Of Terracotta Vases, Neapolitan Manufacture, Italy, Mid-19th Century

1 680 EUR

Period : 19th century

Condition : En l'etat

Material : Earthenware

Diameter : 27

Height : 35

Description

A pair of earthenware tiered stands on a square base, consisting of three round plates of decreasing diameter. At the top is a small crater-shaped vase in the neoclassical style.

Distinctive relief decoration resembling small bosses. This type of decoration was characteristic of certain pieces from the Giustiniani factory in Naples. No mark. Product condition: Item in good condition, with minor and negligible flaws. We strive to present the actual condition of the item as completely as possible through the photos. If certain details are not clear from the photos, the information provided in the description takes precedence.
