

Pair Of Decorative Limoges Porcelain Plates, Art Nouveau Style, Late 19th Century

1 100 EUR

Signature : Limoges

Period : 19th century

Condition : Très bon état

Material : Porcelain

Diameter : 34

Description

A refined pair of wall plates in fine Limoges porcelain, featuring a lobed shape and a wavy edge. Each plate displays a hand-painted mythological scene in the center, depicting female figures and cherubs, surrounded by a finely chiseled burnished metal frame. The rim is decorated with shades of blue and small medallions featuring cherubs against a cloudy background. Perfect as decorative accents for living rooms, boudoirs, or collections of antique ceramics. The Art Nouveau style is recognizable in the sinuous lines and romantic allegorical subjects. Condition: One plate is in excellent condition. The second has a small chip on the rim, which is minor and easily restorable. This defect does not compromise the overall aesthetic appeal and is already factored into the
