Description

Set of 4 Angel Pazmino vintage Brutalist folding chairs - Mid-Century design
This beautiful set of four vintage folding chairs, in the style of Angel Pazmino, combines iconic mid-20th-century design with artisan craftsmanship. Made from solid meranti wood, the chairs feature sturdy saddle leather seats and backs adorned with distinctive relief motifs inspired by Inca and Aztec art. Thanks to their folding design, these Brutalist chairs are both elegant and practical. The set is in good, solid condition, with slight traces of wear, normal for its age. One chair features a color variation in the wood, which contributes to its vintage authenticity. A unique set of vintage chairs that will fit perfectly into a mid-century, Scandinavian, Brutalist or eclectic interior. Good antique condition, showing traces
