Description

Grande Scène De Kermesse Flamande 18ème Siècle Large oil on canvas from the 18th century, lined in the 19th century, depicting a kermesse scene with numerous characters. Northern school in the spirit of Flemish scenes of the high period. a very fine canvas with a scratch visible on the photos, a canvas with beautiful colors that deserves to be illuminated as the varnish has oxidized over time. a molded gilded wood frame from the 19th century happily sets off the canvas. a great classic uncommon in these dimensions. dimensions: 86 cm long by 65 cm high and 98 cm long by 78 cm high with frame. we deliver and ship worldwide, please contact us for a precise quotation.
