

Old-fashioned Railing Or Balustrade In Solid Carved Oak

200 EUR

Period : 19th century

Condition : En l'etat

Material : Solid wood

Length : 268 cm

Height : 120 cm

Depth : 11 cm

Description

Antique railing or balustrade made of solid carved oak. The structure consists of a series of robust, elegantly turned balusters, set between a molded handrail and a thick bottom rail. The oak wood has a deep, warm patina marked by the passage of time, testifying to its original integration into the staircase or gallery of a historic home. This architectural element is ideal for high-decoration or heritage restoration projects.
