

17th Pair Of Baroque Bronze Florentine Candlesticks

500 EUR

Period : 17th century

Condition : Etat d'usage

Material : Bronze

Diameter : 11

Height : 36

Description

Pair of Baroque candlesticks in cast and turned bronze, Florence, 17th century. A typically Florentine pique-cierge model known as "rocchetto" (rochet), with a distinctive shape reminiscent of thread spools. Beautiful original patina, except for an old solder point at the base of one candlestick, visible in the photo. Dimensions Total height 36 cm Base diameter 11
