Description

This beautiful model from the "Senlis" collection, combining classicism and modernity, will make your table unique, refined and beautiful. The work of Orfèvrerie de France, born in 1845, was destined for the finest French tables and luxury hotels. This model is still listed in the catalog of the still active goldsmith. This model will seduce you with its sobriety and finesse of execution. Dimensions: Length: 14,3 cm Total weight: 480 g French manufacture. Very beautiful brilliance. High-quality silver plating, very resistant: punch of 21 grammage superior to the 18 grammage of small spoons from Ercuis, Christofle or Apollo. Never used: tiny micro scratches from handling and not from use. Please note that I respond to all inquiries about my objects. If you do not receive a reply from me, do
