Description

We are pleased to present this elegant antique Italian nightstand dating from the second half of the 18th century. It features the stylistic and construction characteristics typical of the Louis XVI period. Crafted from fine walnut, this nightstand is very simple and linear, free of excessive ornamentation, with delicate geometric inlay in the wood. Its design is characterized by clean yet elegant lines, with four long, slender legs. It is perfect for storing small bedroom accessories: it features two drawers, a larger one at the front and a smaller one on the side. It is in excellent condition with minimal signs of wear consistent with its age. Consider adding this nightstand to your home today. Although originally designed for the bedroom, it can now be placed in any room, where its historic charm
