Description

Original band ring in 18-carat yellow gold (750/1000), composed of a delicate assembly of articulated links forming a wide, supple mesh. The design evokes the prestigious gold watch bracelets of the 1970s and offers remarkable comfort thanks to its mobile structure that naturally hugs the finger. Both graphic and elegant, this ring stands out for its generous volume while retaining great visual lightness. The meticulous workmanship of the links creates a subtle play of light across the entire surface of the jewel, highlighting the richness of the yellow gold. Its timeless aesthetic allows it to be worn both on its own as a statement piece and in association with other rings. A refined creation, halfway between contemporary jewelry and the vintage spirit of the great Italian houses of the
