**Description**

Superb hallway/gallery from Gaziantep in southeastern Anatolia. It's rather rare to find such dimensions that are perfectly suited to a hallway, I'm talking about the width of just 75 cm. A century old and yet no alteration of the shades, not the slightest sign of wear! Masterfully woven wool on wool. Extremely fine, tight weave. Composition constructed in an alternating succession of woven and/or embroidered horizontal stripes. Great art. Exclusively vegetal hues, dense and saturated. Brightness, depth and perfect balance. Circa 1900 - 1920. Perfect condition. Dim : 307 x 75 cm. Laurent Beauty of Kilims
