Original Poster From The Film Raoni

500 EUR

Period : 20th century

Condition : Très bon état

Description

France - Belgium, 1978 Original poster for the documentary film Raoni, directed by Jean-Pierre Dutilleux. Iconic illustration depicting Kayapó chief Raoni Metuktire wearing his ceremonial headdress. This now-famous graphic composition accompanied the film's release in 1978 and is today one of the most recognizable visuals in documentary cinema devoted to Amazonian peoples. Size: 60 × 40 cm Conservation: very good condition Presented in a glass frame. The film Raoni was nominated for a 1979 Academy Award in the Best Documentary category and helped introduce the world to the personality of Chief Raoni and the culture of the Kayapó people.
