

Early Portrait Of A Woman, Oil On Canvas, Late 19th Century

300 EUR

Period : 19th century

Condition : Restauré

Material : Oil painting

Description

Beautifully executed three-quarter-length portrait of a woman, with a fine period patina. The canvas is signed and dated late 19th century. The painting is presented in an elegant antique gilded wood frame, richly molded, which perfectly enhances the ensemble. Condition: the canvas presents a network of craquelures in keeping with its age. Old restorations are visible on both the front and reverse of the canvas (see photos). The frame shows slight traces of wear and tear, as well as small chips due to age and use. Dimensions with frame: 43 × 51 cm. Dimensions of canvas: 22 × 30 cm.
