

## Large Silver Plated Serving Tray With Handles

240 EUR

Period : 19th century

Condition : Très bon état

### Description

Large silver-plated metal serving tray, presumed English origin, of rectangular form with rounded corners, fitted with two openwork side handles. Fine guilloché bottom embellished with a central blank cartouche and decorative motifs at the corners. Molded rim with rocaille-inspired decoration. The aesthetics, proportions and quality of workmanship suggest late 19th - early 20th century English production. Dimensions: 56 cm long excluding handles 43.3 cm wide and 2 cm high Weight: approx. 6 kg. Very good overall condition and quite heavy with traces of use consistent with age. Beautiful display or decorative piece Careful packaging Possibility of shipment: France / International Payment: Bank transfer / CB on showroom\* We always get back to you fairly quickly, so please remember to
