Pair De Bougeoirs En Laiton Tournés Du XIXe.

125 EUR

Period : 19th century

Condition : Bon état

Material : Brass

Description

A pair of finely turned brass candlesticks from the XIXe century, in a sober and elegant style, perfectly representative of classic French production of this period. Each candlestick rests on a stepped circular base, The baluster stem features harmoniously curved and disc profiles. The ensemble stands out for its balanced proportions and timeless design. The brass has a beautiful old, warm, golden patina, giving these pieces all their authentic charm.Height 24.5 cm, base 12 cm.- This item is for immediate purchase, payable by Paypal, we also accept bank transfer or French cheque.- We refuse sales by telephone, sales will only be made by Email or request via the Proantic messaging service.- We ensure careful shipment of our items, with insurance and tracking. Colissimo postage for Europe Union
