Description

Daum "Aux Arnicas" vase - H. 15.5 cm Superb multi-layered glass ball vase signed Daum Nancy, decorated with delicate enameled and acid-etched arnica flowers. The piece features a remarkable gradation of colors from a luminous amber-yellow background to a deep, nuanced violet in its lower part, creating a particularly sought-after sunset effect. The long green stems and foliage elegantly underline the generous silhouette of the vase. The light reveals all the richness of the colored powders and nuanced inclusions characteristic of Daum's Art Nouveau productions, while the signature "Daum Nancy" with the Lorraine cross authenticates this emblematic creation of the École de Nancy. This refined work perfectly illustrates the naturalistic inspiration and technical mastery for which Daum
