

Lot Of 4 Crystal Bottles, So-called "ss" Model - Baccarat Or Saint-louis, Restoration Period

600 EUR

Period : 19th century

Condition : Bon état

Material : Crystal

Height : 28 avec bouchon

Description

Beautiful set of four crystal decanters featuring the characteristic decoration of the so-called "SS" model: deep twisted flutes on the lower section, fine vertical cuts on the central area, twisted and beaded base. This model was produced by both Baccarat and Saint-Louis during the Restoration period (circa 1825-1835), making a precise attribution difficult. Condition: good overall condition, with no chips or impact marks.

However, we note: a slight veil of internal opacity due to use; one stopper that does not fit perfectly. N.B. Glasses of the same model are also offered in separate lots.
