Description

A pair of Louis XV-style French bedside tables, circa 1900, crafted in rich-toned walnut and topped with elegant white Carrara marble tops. Each piece features a drawer adorned with a worked brass handle, a matching lower cupboard door and graceful, finely carved cabriole legs. The warmth of walnut testifies to the craftsmanship of the period, while the marble tops add a touch of luxury and timeless contrast. Their harmonious proportions and classic silhouette make them ideal bedside tables, occasional furniture or decorative storage units, fitting equally well in a classic or eclectic interior. A beautifully preserved pair that embodies the charm, refinement and craftsmanship of late 19th-century French furniture.
