### Description

large, handsome vase by Max Indlas in crimson colors with mauve passages on the handles This vase, signed with a stylus under the base, is both massive and light. it is even Baroque-inspired with its oversized handles that unfurl like scrolls and give this vase strength and presence. Max Indlas, a self-taught genius, moved to Betton in Brittany in the 60s, where he painted colorful works more reminiscent of the landscapes of Provence than Brittany, and a lively, colorful and generously shaped ceramic oeuvre. careful shipping worldwidethis vase is a significant weight, please consider EUR40 shipping.
