Description

This is probably one of the few times when going to buy light bulbs is a piece of cake :) Another Spanish lamp from the FASE workshop, the Geisha model, this time in pearl gray and black lacquered metal. This model, in the gray version, was designed by Luis Pérez de la Oliva in 1967. It was also produced in a gold lacquer version. First shown at the SIMO 1967 show and featured in Fase's advertising materials, this lamp remains a centerpiece of their collection. In good vintage condition, some light marks of use (see photos) 45 cm high x 34 cm deep x 11.5 cm wide. Superb
