Carved Nephrite Jade Fibula / Staple, China, 20th Century

220 EUR

Period : 20th century

Condition : Très bon état

Width : 7 cm

Description

Fibula or clasp made of finely polished, light celadon-hued nephrite jade.The piece features an arched shape terminating in a stylized fantasy animal head, evoking a dragon or chimera, a traditional motif in Chinese art. The stone offers beautiful translucency and a silky touch characteristic of nephrite.The clasp rests on a circular knob carved in the mass allowing its attachment. The sculptural work remains sober and refined, highlighting the quality of the material. A decorative object.Decorative object in the Chinese tradition, suitable for display or as part of an Asian art collection.Dimensions:Length: 7 cmCondition:Good overall condition. Some slight natural marks in the stone and discreet marks of use compatible with age.
