

Pomellato Gold And Labradorite Earrings

3 850 EUR

Signature : POMELLATO

Period : 20th century

Condition : Très bon état

Material : Gold

Length : 1.7

Description

Pomellato Pair of earrings is distinguished by its domed shape in 18-carat gold, sublimated by three pear-shaped labradorite cabochons with captivating reflections. Signed and stamped with the Italian title mark, these pieces come with their original pouch. Weight 19g, length 1.7 cm. An elegant and mysterious vintage creation, revealing deep blue reflections with the slightest movement.
