Description

Painting depicting the Holy Family, oil on copper
Date: Late 17th century
Dimensions: 27 × 32 cm (copper) - 21 × 28 cm (image)
Painting depicting the Holy Family, executed in oil on copper, of refined quality and intense devotional appeal. The scene, brought to life by the presence of Mary, Joseph, and the Child, is enriched by background figures and angels among the clouds, in a balanced and deeply narrative composition typical of great late 17th-century religious painting. The warm, enveloping palette, combined with the natural luminosity of the copper support, gives the work extraordinary chromatic depth and a rich rendering of the flesh tones and drapery. Both the painting and the original contemporary frame, finely carved and gilded, date to the late 17th century, forming a
