Description

Superb large peacock doing cartwheels in pâte de cristal by Daum, based on a model by Guy Petitfils.Very pretty subject with especially lovely blue-turquoise and green colors for this large peacock in pâte de cristal.All feathers out, this peacock radiates and the light truly illuminates the piece...very graphic and timeless, you can feel the artist's hand modeling. Guy Petitfils, from Lay-Saint-christophe in Lorraine, was a painter, designer and creator-decorator of animal subjects for Daum.Large dimensions: 36 cm high, 31 cm in diameter.Double sign "Daum" and "G.Petitfils" and numbered (242/300), work from the 70's-80's.Timeless subject with magnificent colors, very decorative.Illustrous signatures.
