Description

Small oil on paper mounted on cardboard. annotated on the back in ink, Juillet 62 pour 1862 évidemment. Although unsigned, I think this work is characteristic of Victor Dupré, both in subject and manner. The treatment of the water, the stormy sky and the technique are really typical of the artist. It is in good condition, presented in an antique frame in fair condition. The unframed dimensions are 22 cm x 17 cm. With frame, 33.5 cm x 27 cm.
