Description

Elegant mantel clock in finely chased and gilded bronze, signed F. Barbedienne Paris, a famous 19th-century Parisian art founder.The Louis XVI-inspired decor features rich ornamentation composed of laurel garlands, antique urns, female mascarons, acanthus leaves and antique-style medallions. Its openworked, fully glazed architecture highlights the movement as well as the particularly refined interior decor.The enamelled cartouche dial with Roman numerals is framed by neoclassical ornamentation.
