Description

Elegant and spectacular, this bronze troika with light-brown patina illustrates all the decorative refinement of Max Le Verrier's work. Inspired by traditional Russian sleighs, it is distinguished by its rich decoration of scrolls, stylized foliage and openwork motifs, executed with great finesse of chasing. Beyond its ornamental function, this piece reveals a singular character: the seat conceals a secret receptacle, accessible by a key locking system, giving the object a dimension as playful as it is precious. The quality of the cast iron, the elegance of the curved lines and the richness of the decoration bear witness to the artist's skill and the Art Deco spirit that marked his production. Signed under the base. Dimensions : H. 34 cm × W. 49 cm A rare and refined decorative work, combining technical virtuosity,
