Description

Paris porcelain footed bowl, with a fine openwork design, animated by stylized scrolls and friezes raised with a gold highlight. The luminous white porcelain enhances the openwork and elegant lines of the piece. The set is in excellent condition, with only two very slight, superficial, non-evolving firing cracks on the inside, visible on the photos, with no depth and no impact on the solidity or aesthetics of the bowl. The gilding is intact, well preserved, with no rubbing or fading of the highlights. Dimensions: Length 36.5cm - height 25cm - width 22cm. Weight: 1.780 kg
