Description

Mid-Century Modern period square coffee table, the result of a collaboration between renowned Swedish designer and architect Yngve Ekström and prestigious Dutch publisher Pastoe..This model is distinguished by the subtlety of its architecture. The upper tabletop captivates with its "floating tabletop" effect, appearing to levitate above the base thanks to a clever system of recessed crosspieces. The supporting structure offers assertive geometric lines with prominent corner uprights and beveled sections, typical of Scandinavian minimalism and Dutch functionalism of the period..Beautiful vintage condition, original patina, tiny signs of use consistent with age.L 62 x W 62 x H 37 cm - Weight 9 kg
