Mid-17th Century Louis XIV Spindle-leg Table

1 700 EUR

Period : 17th century

Condition : Bon état

Material : Wallnut

Width : 123

Height : 86

Depth : 65

Description

An elegant spindle-leg table crafted from solid walnut, featuring fine carvings. The table has a straight top and is characterized by four molded legs, joined by crossbars that are also molded. The table is in good condition, with minor flaws, and can be used either as a small writing desk, a side table, or a centerpiece. It is a table of great taste and refinement, capable of adding a touch of class and antiquity to any room. Tuscan craftsmanship, Louis XIV period, circa the mid-17th century. Dimensions: H x W x D 86 x 123 x 65cm
